

The demand for TDC plots has always outstripped supply because of the following 6 Reasons:

1.

You are assured of complete ownership of purchased plots

TDC is fully owned by the Government of Ghana, therefore our plots are safe and devoid of the perennia

2.

You will enjoy the comfort of your home with these basic amenities of life already provided

TDC plots are serviced to the highest quality with tarred roads, drains, water and electricity

3.

You will benefit from regular maintenance of transport infrastructure

TDC hands over its road network to the Urban Roads Department

4.

Your time is valuable to us so we ensure speedy processing of documents

TDC ensures that documentation on purchased plots are completed within four (4) weeks

5.

You will be assured of living in well planned neighbourhoods

TDC inspects and approves all building plans

6.

You are assured of a high resale value for your properties

TDC is a strong and trusted brand with over 50 years experience in property development
